

KSA Frayed Knot Regatta 2022

June 4th - 5th

Who and What

This is a Hobie sanctioned event for all models conforming to the HCANA specified one design rules. The regatta will be governed by the Racing Rules of Sailing. All Skippers need to be current members of the HCANA.

BEGINNERS ARE WELCOME!

This regatta will focus on having a "B" Fleet! If you have never raced, this event is for you! Our local A fleet skippers will help all the way to the finish line. Coaches, advice, and the Hobie Way of Life will be a major part of this weekend. Be sure to have your boat fully rigged extra early Saturday so that you can spend lots of time at the chalk talk after the competitors meeting. Bring your questions!

Cost

Double Handed: \$65 Single Handed: \$50
Includes all racing, camping and trophies if you're lucky! It's a Steal of a Deal!

Food

NO FOOD OR DRINK WILL BE PROVIDED.
Note the regatta is in a remote area so plan ahead!

**Sometimes there is a "spontaneous" potluck Saturday Night. Chat with other sailors if you are interested!
