

Membership

Many members found the club through friends who were already members. Some discovered Windycrest Sailing Club by visiting for a regatta or on our website, www.windycrest.com. Some members are long time sailors who are new to the area. Regardless of how you found us, membership is a fairly straightforward process.

A Membership Application and Fee Schedule can be found in PDF form on the Windycrest website. www.windycrest.com. After deciding to apply, you will be invited to a Board of Governors meeting, the first Monday of each month. This gives us a chance to meet all prospective members, and get their view on sailing and how they can be an active, interested member. Additionally, you have the chance to meet those people involved in running the club and ask any questions you might have about Windycrest Sailing Club.

SAILING EXPERIENCE IS NOT REQUIRED!

Membership is limited to boats less than 29 feet in length and weighing less than 6,000 pounds. Windycrest Sailing Club is a “do it yourself” Club. Regular dues are reduced when you earn work party credits. There are several ways of earning credits, including the Annual All Club Work Party.

Regular Membership includes both keelboat and centerboard boats. Regular members have all club privileges and there has been a waiting list for water space. Windycrest Sailing Club has placed additional moorings and are planning on adding more slips. We have many options for our Keelboat owners. Contact the Vice Commodore for an options that will work for you.

Associates Membership is for those of you that don't own a boat but still want to be involved. Many of the Associates are people who crew on a regular member's boat, or want some training before purchasing a boat.

There are additional ways to join Windycrest Sailing Club. You can contact the Vice-Commodore (www.vicecommodore@windycrest.com) for more information about membership or any questions you might have about Windycrest Sailing Club.

Windycrest Sailing Club

Keystone Lake

20 minutes for downtown Tulsa

The Club

Thank you for your interest in Windycrest Sailing Club! Many members feel it is one of the best sailing clubs around. It has a great mix of Keelboat, Centerboard, Racing, Cruising, Training and Social Events that offer something for all sailors

Club members contribute their time and skills for a better Club. All improvements and events are planned and executed by the membership. It is special relationship between the club, the members, and the individual. This is the "Windycrest Spirit" - *a helpful, friendly, responsible can do attitude* - that past and current members exude.

This 'Spirit' started in 1965 and has built Windycrest Sailing Club into the special place it is today.

We Invite you to Join and help us to continue building Windycrest Sailing Club.
